Parties:

I have received the follow two below-captioned communications regarding the oral argument scheduled for Docket No. 2021-114-E.

While I appreciate the willingness of parties to make information available to the Commission, the Commission will not be hearing testimony from any witnesses from any party during the oral arguments scheduled in this proceeding.

I apologize for any confusion on this matter, and if there are other matters that need to be brought to the attention of either Mr. Butler or myself before the oral argument, please feel free to contact us in the customary way (i.e. in email copied to all parties and [contact@psc.sc.gov](mailto:contact@psc.sc.gov)).

Thanks and Regards,

David Stark

**Importance:** High

Mr. Stark & Mr. Butler:

The Company is in receipt of correspondence from counsel for the Petitioners in Docket No. 2021-114-E. In the letter, counsel states that he "plan[s] to have two vice presidents of Savion, LLC available at the hearing, should the Commission have technical questions beyond my knowledge as counsel." Although the Company does not object to Petitioners introducing technical testimony at an evidentiary hearing, the Company understands that the hearing Wednesday is not an evidentiary hearing but an oral argument for lawyers to present their clients positions on this matter. Therefore, it would not be appropriate for the Commission to take live testimony from witnesses who have not pre-filed any testimony in this docket as is customarily required.

Please confirm that no oral testimony will be taken from Savion's two vice presidents at the oral argument on Wednesday. If the Commission wishes to take live testimony, then DESC would respectfully request that the Commission schedule an evidentiary hearing and establish pre-file testimony deadlines.

Matt
